with cap

Style L
with external thread

Novo-Grip Knurled Wheels are ergonomic, eye appealing, durable and offer a firm and safe grip. Ideal for all applications. Strength and durability are guaranteed with Novo-Grip Knurled Wheels.

Material:

Thermoplastic, bushing and threaded bolt in steel quality class 5.8.

Type:

Steel blue chromate.

Part Number Example:

K0260.41067 (wheel cap color bright yellow)

Note:

Δ Add the desired wheel cap color here; no color code is required with black gray wheel caps
